Project Updates

Public Works Director Dave Buck updated the Commission on the following projects:

- Cumberland Avenue Ph. III Project – Construction has slowed due to weather. Utility relocation work by Indiana American Water is in progress and will be followed by Milestone for new storm line installation.
- Happy Hollow Road Project – Authorization to issue a Notice to Proceed has been received by INDOT which begins the inspection phase of the project. A preconstruction meeting is planned to be scheduled in early February. Meetings with the inspection team will held to look for opportunities for savings as well as construction phase coordination beginning in April, through the rest of 2015 and into 2016.
- Cattail Trail Extension Project – Work has stopped for the winter.

- Northwestern Avenue Safety Improvements Phase 3 – A supplement to Phase 3 is on today’s agenda to continue work on Northwestern Avenue which will be called Phase 4 for design completion and coordination meetings with utilities and Purdue University. The area included is in front of the 225 Northwestern Building, the North Street intersection as well as the fire station driveway egress and up to Grant Street. Signal, lighting, utility and pedestrian improvements from Dodge to Lindberg Road are also included.

- Lindberg Road Project – Survey notice letters have been sent to property owners and field survey work will continue weather permitting. The project is for Lindberg Road from Northwestern Avenue to Salisbury Street.

Parks Superintendent Janet Fawley updated the Commission on the following project:

- Garden Street Right-of-Way Improvements Project – Project has been on hold pending paperwork completion by one of the homeowners.

- Happy Hollow Ravine Footpath Repair Project – Work on the project has ceased due to weather conditions.

- 2014 Fire Truck – Parts are being ordered and the truck is in the queue for construction.
